

MANY HAPPY RETURNS To mark its 75th anniversary this autumn, the Italian clothing house Canali is crafting a limited-edition double-collar silk and cashmere overcoat. Made in Italy using the finest materials, this is a classic investment that will last for years. £3,000 (020-7499 5605).

BACK IN THE FRAME Just when you thought everyone was saving up to have their eyesight laser-corrected, along comes a trend for specs. Prism, the supercool, understated eyewear designed by the fashion journalist Anna Laub, is a huge hit with the style-obsessed – even people with 20/20 vision want to accessorise their eyes. Frames, £205, from brownsfashion.com.
